ISAHU CE Courses:

Basics of Individual Disability Income, IN DOI Course #19264

COBRA, IN DOI Course #16552

COBRA & ARRA, IN DOI Course #19229

Healthcare Consumerism, IN DOI Course #16696

Key Components to a Wellness Program , IN DOI Course #16717

Three Myths of a Single Payer System, IN DOI Course #19228

Please note: An ISAHU CE Offering MUST be scheduled with IN DOI a minimum of 30 days in advance.

In order to offer an ISAHU CE course, the chapter must agree to...

1. Advise who at the chapter will be responsible for furnishing the needed information.
2. Send ISAHU Prof. Dev. Chair the physical address, with zip code, and time of the CE presentation to schedule with Sircon/IN DOI at least 30 days prior to the event;
3. Arrange for PowerPoint Equipment (projector & screen) for the event;
4. Print out handouts and CE certs at the chapter's expense, for attendees;
5. Schedule chapter volunteers to handle sign-ins, sign-outs and distribution of the CE certs at the conclusion of the event (***we will not mail CE certs***);
6. Email a copy of the completed sign-in/out sheets and a matching list of all attendee names and license numbers on an *Excel spreadsheet* to ISAHU Prof. Dev. Chair within five days of the event (for uploading/reporting to Sircon) -- the Excel file of the completed sign-in sheet will work for this purpose;
7. Mail the original sign-in sheets to ISAHU Prof. Dev. Chair within 5 days following the event;
8. Reimburse ISAHU for the \$4 per person CE reporting fee - ISAHU Treasurer will email invoice once the CE upload is complete;

What ISAHU Prof. Dev. Chair will do...

1. Furnish a brief explanation of the course for the chapter to use for promotion;
2. Verify if the presenter will bring their own laptop or if the chapter will need to furnish. If the chapter will need to furnish, ISAHU Prof. Dev. Chair will email the presentation at least one week prior;
3. At least two weeks prior to the event, ISAHU Prof. Dev. Chair will email the handouts, CE certs and sign-in/out sheets. The sign in sheets will be an Excel file so you are able to insert the names & license numbers as your members register, and alphabetize the list to facilitate registration at the event
