GAHU Qualifies for Silver Seal of Certification

(Arlington, VA) – The National Association of Health Underwriters (NAHU) is proud to announce that the Georgia Association of Health Underwriters has qualified to receive the Silver Seal of Certification. Georgia is the first of all NAHU chapters to qualify for such certificate.

NAHU's Chapter Certification Program is an ongoing program that recognizes excelling chapters all year long. Recognition is based on criteria satisfaction in various areas. To earn the Silver Seal of Certification chapters must satisfy at least six of nine criteria.

Once a chapter satisfies six of the nine criteria it will automatically receive the Silver Seal of Certification. “The Silver Seal of Certification is bestowed upon chapters that have demonstrated developmental excellence in there area, nationally and in the health care industry,” said NAHU EVP and CEO Janet Trautwein. “The volunteers in the Georgia chapter met our expectations and far exceeded them.”

The National Association of Health Underwriters represents over 20,000 health insurance agents, brokers, consultants and professionals. Our members serve employers and individual consumers in accessing and purchasing affordable health insurance and related products.
