

SIMPLYWELL®

INTEGRATED
HEALTH SOLUTIONS™

Founded by physicians, SimplyWell delivers the industry's most comprehensive clinically based solutions to employers of every size across the United States. SimplyWell's programs provide turnkey solutions that yield proven results. SimplyWell includes integration of claims data, health risk questionnaires, onsite health screens, customized participant action plans and extensive reporting. This systematic approach to wellness in the workplace allows for a proven ROI, improved employee health and productivity and decreased healthcare costs. SimplyWell offers NAHU members and their clients five percent off of listed retail prices.
